Summary: dr cleaner wants to sell the alien animals as pets. but they dont like this so they go bad.

half life the pets attack

chapter 1. gorden's vacation

Gorden freeman was in his house, using his computer to play a game called minecraft wich was made by mojang. he was having very happy day because the combines left and the humans were free forest of time. the alex came out of the fridge. "gorden freeman. their are still alien out in the city like the head crabs, houndeyes, ichthyosaurs, snarks, tentacles, gene worms, pit drones, pit worms, antlions , leech's, gonarch's and those thing that hang on top of the ceilings and eat people." sad alyx. " we must warn dr cleaner" sais gorden freeman. so the wet to dr cleaners office to warn him that the aliens were not gone and were invading the city."dr cliemer! the aliens are still here and many might died because" sed gorden. its o.k, sed dr cleaner. i used my science to remove there dangerous so I could sell them as pets and get money." smiled dr clinker. "noo that is not good thing you do. these aliens dont want to be on earth. the combines argon so the can go back to xen and be happy." sed gardens. "but i want to be rich" sed dr cleaner. "without the money i cant afford to not die of hunger and starving" dr cleaner sed again. "o.k i'll buy a head crab then" sed gorden.

chapter 2. things go wrong

gorden was in his house again. alyx sais "I think its cute :3 i will call it Gabe Newell" then she started stroking it. but then the head carp got up. " gorden freeman. when the combine were here you killed my family with a crow bar and there were dead and i was sad and lonely. i will make you head crab zombie." sed the head crab. "but I hadn't knowing that they were your families. honest". sed gorden sympathetic like. " time for you to die." shoted the hed crab. "noo

head crab don't . he's my husband" sed alyx. "shut up you" sais the head crap. and he jumped on gordens head and tired to make him a head crab zombie. " you evil headcrab is evil" said alyx. and she shot the head crab to saved gorden. " tanks alyx" sed gorden.

chapter 3. the aliens attack!.

gorden and alyx went to dr cleaners labratory because they thought that he might in trouble. but the door was garded by houndeyes. "lets us in." sed garden freeman. "no we wont." sed the hound eyes. "lets crowbar" sed alyx. so gorden killed the hound eyes with a crowbar and killed them. then they opend the door and saw somthin awfull. the alien animals were trying to cook dr cleaner. " help me!" shooted dr cleaner. he was trapped in a cauldren that the alien animal were trying to cook him with. "i will not lets you eat dr cleaner." sed garden. " we hungry and we eat you two". sais the animal aliens. the gorden killed the alien animals and freed dr cleaner. "tank garden" said dr cleaner. " we must sent the alien animals back to xen. if there are on earth there not happy but sad and the have to eat human, so we must send them back to xen so they can be happy and eat the vortigons instead. so the sent them back to xen and the alien animals were happy.
